

## Bed and Breakfast at St Catherine's College

St Catherine's is conveniently located in a peaceful setting within the City of Oxford. During vacations, where we have availability, we often offer private B&B accommodation set within our beautiful grounds.

Guests are accommodated in our light and airy student study bedrooms (home to our students during term times) in buildings of modern architectural interest.

**Free Wi-Fi access** is now available to all B&B guests across the College via the Sky-powered service 'The Cloud' (please note that standard mobile telephone reception may be limited depending upon exact location and mobile provider). Guests over the age of 18 are also very welcome to utilise our on-site gym, access to which can be granted via the Lodge.

Please note that **bookings and extensions to bookings can only be made online - fees for accommodation cannot be paid directly at the College**. There may be cut-off deadlines for online booking facilities and so it is always best to book/amend bookings at least 48 hours before the room is needed.

### Important information for bed and breakfast guests:

- **Check-in** to bedrooms is any time after 14:00 hrs on the day of arrival and happens at our Porter's Lodge (open 24/7 and so late check-ins are not a problem);
- All bedrooms and internal areas of the College are **non-smoking**;
- **Breakfast** (served between 8:00 and 9:00 hrs) is usually a self-service continental or 'full English' buffet-style meal taken in the main Dining Hall;
- **Bedrooms** come complete with linen, towels, toiletries and tea and coffee-making facilities;
- **Your main point of contact** during your visit and in case of emergency is our Porters Lodge (in person or via 01865 271700);
- **Check-Out** is by 10:00hrs promptly on the day of departure (please return keys to the Lodge);
- There is usually a small **luggage storage area** available at the lodge for guests to use;
- We regret that **parking facilities are NOT available** to B&B guests
